Preamble:

Depending on the evolution of the health crisis, the Organizing Authority may modify the conditions of the notice of race without previous notice.

The Club site <https://www.acal67.com/regates/euro-micro-osiris-7-et-8-mai-2022/> will be used in this case.

Depending on the evolution of the health crisis, the Organizing Authority may modify the conditions of registration and / or eligibility.

In the unprecedented context of "COVID 19", the Organising Authority may cancel the competition.

1- Barrier gestures (DP):

- Before confirming their registration, each crew member must have individually completed the care - health self-questionnaire available at:
https://www.ffvoile.fr/ffv/web/services/confinement/Questionnaire_Auto-Evaluation.pdf
- All participants in the EURO MICRO, whether they are organizers, officials, competitors, or support persons must be in possession of masks and a personal bottle of hydroalcoholic gel, from arrival on the competition site to departure, both ashore and on the water.
- Groups of persons will have to respect the limits defined by the public authorities. Where possible, any grouping of people should be avoided when physical distancing (2 m) cannot be respected.
- It is mandatory to always wear a mask on land. The persons involved in the organization of the event, officials, competitors, and support persons (coaches...) when they are on the water, may not wear a mask.
- Barrier gestures must be scrupulously respected as soon as a person involved in EURO MICRO is ashore. Failure to comply with the instructions issued or transmitted by the organizer, including orally, may result in a protest by the Jury.
- Reasonable actions by the organizing authority of the event to implement COVID-19 guidelines, protocols or legislation, even if they later prove to be unnecessary, are not incorrect actions or omissions and will not be grounds for redress (this changes RRS 62.1(a)).

2. COVID referent and crisis unit in case of suspicion of infection:

a- COVID Referent:

The COVID referent name will be posted on the Official Notice Board.

- despite the implementation of reinforced means of protection, practice may expose a competitor to a health risk, in particular infection by Covid-19,
- despite the measures taken and followed, the host institution, the structure / the club, can not guarantee total protection against exposure to, and infection with, Covid-19. It releases the Organizing Authority from any responsibility in the event of infection,

4. Suspected case of COVID-19:

A competitor, showing symptoms related to Covid 19, shall immediately retire from the race/competition and comply with the directives of the health authorities. If he fails to do so, the jury may also open an hearing according to rRRS 69.
